Evraz Place scholarship winner has sights set on giving back to her community

Regina, Saskatchewan – A Martin Collegiate high school graduate, who is pursuing her goal to become a police officer, is this year's recipient of the Evraz Place \$2,000 scholarship fund.

Phoebe Gyorfi-Winkler, who attended earlier school years at Wascana Community School, is enrolled in the Aboriginal Policing Preparation program at Saskatchewan Polytechnic for fall 2016 and says the financial assistance will help her with these next steps.

"Although I have experienced several challenges in my life, barriers to my learning, and the struggle of balancing school, work and becoming a mother, I have maintained a positive, motivated and dedicated attitude in order to achieve my goals," says Gyorfi-Winkler. "I want to make this world a better place."

Throughout her high school years, Gyorfi-Winkler has focused on life's priorities as a single parent and active community volunteer. She is known to be a positive role model and dedicated student. Elma Shoulak, Evraz Place Vice-President of Human Resources, says Phoebe is a most worthy recipient who truly reflects the organization's own commitment to giving back to the community.

"Phoebe is an inspirational student who leads by example and has her future sight set on contributing to her community," says Shoulak. "We are proud to help contribute to her future goals."

The Evraz Place scholarship is awarded annually to a Seven Stones Community School (formerly Wascana Community School) student who is continuing their education beyond grade 12. Evraz Place is a partner of Seven Stones Community School and provides this annual scholarship as well as other programs that enable growth in literacy and numeracy programs.
